NEWS LETTER'15

COGNIZANCE

Vision

To empower students a vital and leading role as technologists in the dynamically changing arena of computer science and engineering and also prepare them to contribute to the advancement of society and mankind.

Mission

The computer science & Engineering department continues to impart high standard technical education which helps the students to respond to the global happenings in the field through rigorous and comprehensive teaching learning process and inculcate in them the ethical and moral values

About the Department

The Department of Computer Science & Engineering started functioning from the very beginning of this college. The department has well equipped classrooms & labs. Classes are spacious, well furnished & well ventilated for providing a good environment for students for learning. Labs are fully air conditioned & computers and peripherals are timely upgraded.

Students Partcipations

1.Ms. Anamika K, Ms. Anju C, Ms. Megna Sreedhar (2013-2017 batch) Mr. Rashid , Mr.Fariz, Mr. Anand, Mr. Fayiz(2012-2016 batch) participated in the event Campus++, by Tibs India, Perinthalmanna on 05/09/2015.

2. Mr. Rajeel K P, Mr. Safwan K , Mr. Rashid (2011-2015 batch) participated in the YES Kerala summit Crown Plaza, Ernakulam on 12/9/2015.

3. Mr. Rajeel K P, Mr. Safwan K , Mr. Rashid (2011-2015 batch) participated in the YES Kerala summit Crown Plaza, Ernakulam on 12/9/2015.

Students Achievements

1.Mr. Mohammed Abdul Mohaimin Pary (S5 CSE A) , as a member of Microsoft developer community, Kerala , Assisted for conducting one day Microsoft Azure camp held at Parvi engineering college , Namakkal, Tamil Nadu on 10/7/2015.

2. Mr. Abdul Muhaymin Pary, Mr. Farshan Ahmed, Mr. Marzook.E.V , Mr.Mohammed Shabeeb , Mr. Athul Dilip, Mr. Sabeer Sulaiman,Mr. Yoonus PK , These students of (2013-2017) CSE department attended Xamarin & IBM Bluemix Hackathon events held at IKP-Eden, Bangalore and won prize on 5/9/2015.

3. Neeha Parvin (S3 CSE B student) won first prize in poster design competition in women hackathon program conducted by GEC kannur in association with ICFOSS

4. The HEY NEWS APP developed by Team FANTACODE a startup initiative of CSE students bags second runner up in Media Hackathone

5. S5 CSE A students completed five day industrial training(from 25-11-2016 to 30-11-2016) based on Cisco networking-CCNA(R&S) at Bangalore

6. Muhammad jefrin and team(Final year CSE Students) bags third prize in start-up i3 program held at Sahrdaya college of engineering and technology,kodakara,thrissur on 20/12/2016

Faculty development programs attended

1. Prof. Viju P. Poonthottam and Farsana T. attended a workshop on Python (Based on KTU syllabus) conducted by Dept. of Computer science , FISAT , Angamali on 9/7/2015

2. Mr. Yoonus.P.K (2013-2017 Batch student) Participated in the event Inceptra at Cochin College of Engg, Valanchery on 2/9/2015.

3. Mr. Viju P Poonthottam (Asst. Professor) attended 6 day Microsoft Saksham training session organized by CET School of management on behalf of Kerala Technological University at Government Engineering College, Kozhikode from 14/9/2015.

4. Mr. Syed Farook (Asst. Professor) attended a work shop on " Mobility with Apple for education" by Apple corporation held at Gateway hotel , Calicut on 15/9/2015.

5. Prof. Mredhula L. , HOD , CSE department, has attended " Head-Start-2015" meeting of computer science HoDs of all TCS accredited institutes at TCS , Cochin on 17/9/2015.

6. Prof. Sherikh K. K. and Prof. Anand Pavithran participated in the five day Faculty development program on "Signal Processing for BioMedical Applications" conducted by Dept. of Applied electronics and Instrumentaion of MES college of Engineering from 16/11/2015 to 20/11/2015.

7. Dr. Govindaraj E. Participated in the 26th annual convention of ISTE, Kerala section held at Mohandas College of Engineering and Technology, Anad , Thiruvananthapuram on 21/11/2015.

8. Ms. Asha G Asst. professor Department of CSE participated in the 5 day National level Faculty Development Programe on "Administering Network Components & infrastructure servers" organised by Departement of Information Technology under TEQIP phase II , A project of Government of INDIA at college of Engineering, VADAKARA from 23/11/15 to 27/11/15.

9. Prof. Zynul Abid, Prof. Viju P Poonthottam , Asst. Professsors of Dept. of CSE , Mr. Shiju M. P., Mr. Yunus E. K. and Ms. Savitha M. R. Lab instructors of dept. of CSE attended a work shop on "Apple Mac" at MESCE , Kuttippuram , conducted by MCA department on 03/12/2015.

10. Prof. Hari krishnan G. R. and Mr. Shiyas H. have attended two day workshop on Android and Python organized by VKCET College, Paripally , Kollam from 17/12/2015 to 18/12/2015.

Faculty as resource person

1. Prof. Sreekanth E S and Prof. Shjeesh K U took a session on C programming as a part of bridge course on 30/7/2015.

2. Prof. Sajitha K., Prof. Farzana T. ,Prof. Viju P. Poonthottam and Prof. Anand pavithran took a session on C programming as a part of bridge course on 31/7/2015.

3. Prof. Sysed Farook K. handled a session on Sustainable engineering to the faculties taking the subject for first year on 31/07/2015.

Association activities

1. MATRICS conduced a workshop on AZURE technologies on3/06/2015by Mr.Mohammed Ramees and Mr. Mohamed Jaseel, Microsfft certified trainers

2. Matrics conducted a work shop on cloud computing for final year computer science students on 13/7/2015.

3. Dept. has started GATE coaching for final year CSE students on 7/9/2015.

4. Department started teaching C programming tutorial for 07/09/2015-25/09/2015 for junior students

5. Department has started Web & App development program in association with MATRIX and EDC on 14/9/2015.

6. First phase of workshop on "How to crack interview" for the final year CSE students by Professor Vinitha oraganised by Dept of Computer Science and Engineering on 08/10/2015

7. Second phase workshop on "How to crack interview" for the final year CSE students by Professor Vinitha oraganised by Dept of Computer Science and Engineering on 17/10/2015.
